

**2023 – 2024 & 2024 – 2025
Amended School Calendars**

Meeting Date: April 24, 2024

Background:

The required days for charter schools: minimum of 175 regular school days and a minimum of 30 Extended Learning Opportunity Program (ELOP) days.

Information:

2023 – 2024 School Calendar

Our current school calendar had 176 days of instruction and 29 (ELOP) days totaling 205 days. This meets the minimum legal requirement. With the school closure on Friday, March 15th, we lost one of our days. This ELOP day needs to be made up sometime before June 30th and the amended calendar needs to be approved by the board.

Staff has decided that the best make up day is Friday, May 31st. Our teachers have meetings all day so our wonderful after school Expanded Opportunity Learning Program leader has agreed that their program will run the day. Since the 30th is the last day of school we are not expecting to have many kids.

2024-2025 School Calendar

Next year's calendar has 176 days of instruction and 29 ELOP days, again totaling 205 days. Rules and regulations have been changing and we have not gotten a clear answer whether we can use our extra regular calendar day to make up for only having 29 ELOPs days. In order to be proactive, we have decided to make October 9th an additional ELOP day.

Agenda:

This item is on the Consent Calendar for approval. Please contact Kathy or Amber with any questions or concerns you may have.
