We are excited to announce that we have hired **Tanner Schaeffer** as our **Assistant Principal** for the 2024-2025 school year! See his note below.

Hello Nord Families,

My name is Tanner Schaeffer and I get the honor of being your assistant principal next school year. I wanted to introduce myself and share a bit about me. I am originally from Cottonwood, California and graduated from West Valley High School. After graduating, I was fortunate enough to join the Navy and travel all over the world. I have lived in 5 different states and have gotten to experience all different types of communities and cultures. I moved back to California in 2014 and started attending Chico State where I met my beautiful wife, Jan, who also became an educator. I have worked in Chico Unified School District for 7 years now as a teacher and as a coordinator for expanded learning programs. I am a husband, dog dad, brother, teacher, and avid hunter. I love playing pickleball, shooting my bow, spending time with my family, and staying physically active. I look forward to getting to know all of you this upcoming school year and beyond!
