Spaghetti Feed!!

The 6th graders are doing their annual spaghetti feed to raise money for Whiskeytown Environmental Camp, so come support them and get a yummy dinner! It will be Friday, November 14th from 5:30 - 7:00pm. You can eat it here or take it to go. Individual tickets are \$7 with Family of Four tickets offered for \$25. Desserts and sodas will also be for sale that night. You can get your pre-sale tickets from any 6th grader or from the Office. We hope to see you there!

Stone Soup We hope that many of you will be able to attend this year's Stone Soup Day on November 19th. This is a very fun activity where the students act out the folk tale of two travelers who wander into a poor town. These travelers have no money and are very hungry. They convince the town's people that they are making a delicious soup with one stone. The people help to make it better. Eventually everyone brings something to add to the soup and they have a wonderful feast together. Parents, relatives & community members are welcome to join us for the play at 8:00 am during the morning assembly and come back for some delicious stone soup at lunch time. Students will be bringing their own vegetables to make this year's feast the best yet. More information will be coming home soon.

Tips for Parents! Take advantage of parent-teacher conferences coming up on November 7th and 10th. Think of some questions and concerns you may have and write them down before your meeting. Keep track of your child's schoolwork to help you with your questions. You may ask:

- Is my child performing at grade level?
- What are my child's strengths and weaknesses in major subjects—reading, math, history and science?
- How much time should my child spend on homework?
- Are my child's assignments completed accurately and on time?
- Does my child have special learning needs?
- Do you keep a folder of my child's work? If yes, could you review it with me?
