School Description

Nord Country School (NCS) is a free, public California Charter School located in the far northwestern corner of Butte County. NCS is organized as a 501(c)3 non-profit public corporation and provides parents with an expanded choice within the public school system in Chico and the surrounding areas.

Nord Country School's mission is to create partnerships with students, families, staff and the community in order to provide a safe and inviting environment in which students will experience the best of traditional education with modern approaches.

The Instructional Vision of the school is to provide high quality, standards-based learning experiences that build character, community and global awareness.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Nord Country School is situated on approximately five rural acres. The buildings on campus are well maintained and clean. The school garden and planting beds are attractive and bountiful. The playground and field areas are spacious, provide many opportunities for exercise, and have a fully operational automated sprinkler system. The grounds are completely fenced to limit unauthorized access and facilitate supervision of the grounds. Yard supervisors are always on duty before school, during recesses, and at lunch time. Access to the campus is directed to the front office where the office manager maintains a check-in/check-out system to keep a permanent record of school site visitations.

New playground equipment, including slides and climbing structures were added four years ago. Recent improvements include the installation of four additional classrooms for a Middle School. The students, staff, parents and community members are proud of their school and strive to care for the buildings and grounds. Nord Country School reflects the beauty of the rural community of which it is a part.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students

ELA	31	41	51	51	48	48		
Math	29	40	44	42	36	37		

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	14-15	15-16	14-15	15-16	14-15	15-16			
Science	60	65	64 61 56 54						

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Level	4 of 6	4 of 6 5 of 6				
5	10	25	30			
7	5.3	26.3	26.3			

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)							
Number of Students Percent of Students							
Group	Enrolled	Enrolled with Valid Scores		Proficient or Advanced			
All Students	23	23	100.0	65.2			
Male	11	11	100.0	54.6			
Female	12	12	100.0	75.0			
White	15	15	100.0	73.3			

Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Students with Disabilities	18	16	88.89	6.25			
Students Receiving Migrant Education Services							

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Research shows parent involvement is critical to the success and learning of each child and we strongly encourage parents to volunteer at our school by either helping in classrooms, the garden, or other locations on campus. We also have parents drive or chaperone on field trips, act as sports coaches, help at school events, and prepare materials from home. We strongly believe that parents and teachers working closely together can only enhance the education, sense of community, and development of each student.

Additionally, parents have the opportunity to be actively involved in the direction and governance of the school by participating on committees, the school site council, and the school board. Stakeholder meetings and surveys occur several times during the school year to gather feedback and input on decisions regarding improvements and changes needed.

We have an active and energetic Parent-Teacher Organization (PTO), which organizes special events, assemblies, and fundraisers to support student learning and the Nord Country School mission.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

It is Nord Country School's goal to create a physically, socially, and emotionally safe learning environment for all students, staff, and parents. We have a Safe School Plan and NCS conducts earthquake, fire, and disaster drills as required. Staff members participate in on-going training in disaster preparedness. Diagrams are posted in each classroom for emergency evacuation and each staff member has an emergency staff/parent phone calling tree to use for emergencies.

Key components of our School Safe Plan cover the procedures for traumatic incidents, code red drills, evacuations/relocations, bomb threats/bomb emergencies, earthquakes, fires and explosions. The NCS Safety Committee, in accordance with Senate Bill 187, updates our School Safety Plan annually and this plan is available for viewing in our school office.

Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Staff development is a crucial part of our school plan. Our teachers have attended professional development in areas such as California common core standards in language arts, math and science, as well as the use of technology in the classroom and other topics that teachers select to align with the needs of our students as determined by assessment data and observations.

We continue to learn about strategies to help us better support student behavior. Workshops included learning different strategies to teach our students self-regulation techniques, how to help students with sensory needs and how to identify anxiety type disorders seen in schools.

Types of Services Funded

Nord Country School offers many supplemental educational services. These include violin, classroom music, PE, Spanish, art, leadership club, various electives, reading incentive programs, field trips, cribbage, and gardening.

Nord Country School, through Chico Unified School District, participates in the National School Lunch Program, providing a healthy breakfast, lunch and supper. Free and reduced meals are available to eligible families.

Transportation services to and from Nord Country School are offered free of charge to all students. For convenience, there are several bus stops in the North Chico area.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
