### **School Description**

Nord Country School (NCS) is a free, public California Charter School located in the far northwestern corner of Butte County. NCS is organized as a 501(c)3 non-profit public corporation and provides parents with an expanded choice within the public school system in Chico and the surrounding areas.

Nord Country School's mission is to create partnerships with students, families, staff and the community in order to provide a safe and inviting environment in which students will experience the best of traditional education with modern approaches.

The Instructional Vision of the school is to provide high quality, standards-based learning experiences that build character, community and global awareness.

### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### School Facility Conditions and Planned Improvements (Most Recent Year)

Nord Country School is situated on approximately five rural acres. The buildings on campus are well maintained and clean. The school garden and planting beds are attractive and bountiful. The playground and field areas are spacious, provide many opportunities for exercise, and have a fully operational automated sprinkler system. The grounds are completely fenced to limit unauthorized access and facilitate supervision of the grounds. Yard supervisors are always on duty before school, during recesses, and at lunch time. Access to the campus is directed to the front office where the office manager maintains a check-in/check-out system to keep a permanent record of school site visitations.

New playground equipment, including slides and climbing structures were added five years ago. Recent improvements include the installation of four additional classrooms for a Middle School as well as a running track and soccer field. The students, staff, parents and community members are proud of their school and strive to care for the buildings and grounds. Nord Country School reflects the beauty of the rural community of which it is a part.

### **B. Pupil Outcomes**

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAS] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students							
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)						
Subject	Sch	ool	Dist	District		State	
	16-17	17-18	16-17	17-18	16-17	17-18	
ELA	41.0	50.0	51.0	54.0	48.0	50.0	
Math	40.0	45.0	42.0	44.0	37.0	38.0	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the

standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject area of physical education

Level	4 of 6	5 of 6	6 of 6	
5	21.4	21.4	21.4	
7	31.6	15.8	36.8	

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Research shows parent involvement is critical to the success and learning of each child and we strongly encourage parents to volunteer at our school by either helping in classrooms, the garden, or other locations on campus. We also have parents drive or chaperone on field trips, act as sports coaches, help at school events, and prepare materials from home. We strongly believe that parents and teachers working closely together can only enhance the education, sense of community, and development of each student.

Additionally, parents have the opportunity to be actively involved in the direction and governance of the school by participating on committees, the school site council, and the school board. Stakeholder meetings and surveys occur several times during the school year to gather feedback and input on decisions regarding improvements and changes needed.

We have an active and energetic Parent-Teacher Organization (PTO), which organizes special events, assemblies, and fundraisers to support student learning and the Nord Country School mission.

### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **School Safety Plan**

It is Nord Country School's goal to create a physically, socially, and emotionally safe learning environment for all students, staff, and parents. We have a Safe School Plan and NCS conducts earthquake, fire, and disaster drills as required. Staff members participate in on-going training in disaster preparedness. Diagrams are posted in each classroom for emergency evacuation and each staff member has an emergency staff/parent phone calling tree to use for emergencies.

Key components of our School Safe Plan cover the procedures for traumatic incidents, code red drills, evacuations/relocations, bomb threats/bomb emergencies, earthquakes, fires and explosions. The NCS Safety Committee, in accordance with Senate Bill 187, updates our School Safety Plan annually and this plan is available for viewing in our school office.

Number of classes indicates how many classes fall into each size category (a range of total students per class).

### **Professional Development provided for Teachers**

Staff development is a large part of our school plan. Six days are provided for certificated teachers to attend workshops, trainings or to observe other teachers. Academic professional development in the areas of science and math have been a concentration. Teachers have attended workshops in math and, in order to learn more about the Next Generation Science Standards, in the area of science.

We have been awarded an MTSS grant through Orange County Office of Education to further develop our academic and behavioral strategies and supports for students. Many staff members have attended conferences and county trainings in these areas. Data that is collected is used to determine ongoing needs.

### **Types of Services Funded**

Nord Country School offers many supplemental educational services. These include violin, classroom music, PE, Spanish, art, leadership club, various electives, reading incentive programs, field trips, chess club, and gardening.

Nord Country School, through Chico Unified School District, participates in the National School Lunch Program, providing a healthy breakfast, lunch and supper. Free and reduced meals are available to eligible families.

Transportation services to and from Nord Country School are offered free of charge to all students. For convenience, there are several bus stops in the North Chico area.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
