PTO Meeting – Oct 1 - 6:00 pm

All are encouraged to attend PTO meetings. You may be wondering what PTO (Parent Teacher Organization) is all about? It is a group that strives to enhance the educational experience of all students (and have fun while doing it!) We do this in a variety of ways:

- By raising funds for exciting educational field trips that make learning so much fun.
- Organizing fun family events to enhance our sense of community.
- Being a resource in achieving many extra's that the teachers, students and school benefit from.

Student Dropoff/Pickup Please remember to drive slowly when dropping students off and picking them up. We have several neighbors who have called and complained. Remember our students safety is of utmost importance.

Box Tops 4 Education

Box Tops for Education is a program that makes it easy to help our school earn extra cash. If each student brought just 10 box tops every month we would earn \$150/ month.

When added up for 10 months it is \$1,500. Remember to clip the box top coupons and send them to school. You can also get great money saving coupons by going online to www.boxtops4education.com
