

1.0 Purpose

- 1.1 The Family Educational Rights and Privacy Act (“FERPA”) provide that a parent has the right to inspect and confirm the accuracy of education records relating to his or her child. FERPA also restricts the access of outside parties to educational records.
- 1.2 FERPA applies to all public schools and any state or local education agency that receives Federal education funds. Compliance with FERPA is necessary if schools are to continue to be eligible to receive Federal education funds.

2.0 Policies/Annual Notification

- 2.1 FERPA requires that schools and local education agencies have written and accessible policies stating which educational records will be protected and which educational records may be released and the circumstances under which those records will be released.
- 2.2 Each year schools must give parents public notice of the types of information designated as directory information. By a specified time after parents are notified of their review rights, parents may ask to remove all or part of the information on their child that they do not wish to be available to the public without their consent.
- 2.3 Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (e.g., special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of the Administrator.

3.2 The School shall not use any school resources or data to create a registry based on race, gender, sexual orientation, religion, ethnicity or national origin.

4.0 Directory Information Defined

4.1 Part of the education record, known as directory information, includes personal information about a student that can be made public, provided that a school has stated its policy regarding directory information in its FERPA policy.

4.2 Directory information may include a student's name, address, and telephone number, and other information typically found in school yearbooks or athletic programs.

4.3 Other examples are names and pictures of participants in various extracurricular activities or recipients of awards, pictures of students, and height and weight of athletes. Release of directory information is allowed as outlined below.

5.0 Parental and Legal Guardian Rights

5.1 A parent and/or a legal guardian has the right to inspect and review his or her child's education records.

5.2 If upon review, a parent or legal guardian discovers any information or notation that is factually inaccurate, he or she may request the school to amend the record.

5.3 The school must respond to this request in a reasonably prompt time period. This right does not include grades or educational decisions made by school personnel.

5.4 Request for Amendment of Education Record:

5.4.1 Any request for an amendment to an education record must be made in writing and submitted within thirty (30) days of the discovery of the error.

5.4.2 A request to amend any education record does not confer upon a parent or legal guardian a right to have any amendment made.

5.4.3 The school shall respond within ten (10) days of the receipt of the request to amend. The school's response must be in writing and if the request for amendment is denied, the school must set forth the reason for the denial.

- 5.5.2 The school may charge reasonable fees for any copies it provides.

7.0 Record-Keeping Requirements

- 7.1 The School will maintain a record of each request for access to and each disclosure of personally identifiable information from the education records of each student for as long as the records are maintained. For each request, the record must include: the parties who have requested or received information and the legitimate interests the parties had in requesting or obtaining the information.
- 7.2 These record keeping requirements do not apply to requests from or disclosure to parents and eligible students, School officials with a legitimate purpose for inspecting the records, a party with written consent from the parent or eligible student, a party seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.
