Nord Country School
BP5130 – Homeless Student Policy

1.0 Purpose

The Governing Board of Nord Country School (the “Charter School”) desires to ensure that homeless students are provided equal access to the same free, appropriate public education provided to other children and youth. Homeless students will be given access to the education and other services that such students need to ensure that they have an opportunity to meet the same challenging State student academic achievement standards to which all students are held. Homeless students will not be stigmatized or segregated in a separate school or program based on the student’s status as homeless.

2.0 Definitions

2.1 Homeless children and youths means individuals who lack a fixed, regular and adequate nighttime residence and includes children and youths:
   2.1.1 Who are sharing the housing of other persons due to loss of housing, economic hardship or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
   2.1.2 Who have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings;
   2.1.3 Who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;
   2.1.4 Who are migratory children who qualify as homeless for purposes of this part because the children are living in circumstances described above.

2.2 Unaccompanied youth includes a youth not in the physical custody of a parent or guardian.

2.3 The Charter School is the school of origin when the student attended the Charter School when permanently housed or was last admitted when the student became homeless. The Charter School will not be considered the school of origin when it is contrary to the wishes of a student’s parent(s) or guardian(s), or is not in the best interest of the student.

2.4 In determining the best interest of the child or youth, the School shall:
   2.4.1 Presume that keeping the child or youth in the school of origin is in the best interest of the child or youth, less it is contrary to the request of the child’s or youth’s parent or guardian, or unaccompanied youth;
   2.4.2 Consider student-centered factors related to the child’s or youth’s best interest, including factors related to the impact of mobility on achievement,
education, health, and safety of homeless children and youth, giving priority
to the request of the child’s or youth’s parent or guardian or unaccompanied youth;

2.4.3 If, after conducting the best interest determination based on consideration of the presumption identified above and the student-centered factors identified above, the School determines that it is not in the child’s or youth’s best interest to attend the School, the School shall provide the child’s or youth’s parent or guardian or the unaccompanied youth with a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information regarding the right to appeal; and

2.4.4 In the case of an unaccompanied youth, ensure that the School liaison assists in placement or admission decisions, gives priority to the views of such unaccompanied youth and provides notice to such youth of the right to appeal.

2.5 A child or youth or unaccompanied youth shall be considered homeless for as long as he/she is in a living situation described above.

3.0 Homeless Liaison

The School’s homeless liaison is Kathy Dahlgren, Principal/Superintendent. The School’s homeless liaison is required to do, or cause to be done, all of the following:

3.1 Ensure that homeless children and youths are identified by school personnel through outreach and coordination activities with other entities and agencies;
3.2 Ensure that homeless children and youths are admitted to, and have a full and equal opportunity to succeed in the School;
3.3 Ensure that homeless children and youths have access to and receive educational services for which such families, children, and youth are eligible, including Head Start programs (including Early Head Start Programs) and, if applicable, early intervention services under part C of the Individuals with Disabilities Education Act and other preschool programs administered by the School, and referrals to health care services, dental services, mental health and substance abuse services, housing services and other appropriate services;
3.4 Ensure that the parents or guardians of homeless children and youth are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children;
3.5 Ensure that admission disputes are mediated in accordance with the dispute resolution process outlined below;
3.6 Ensure that public notice of the educational rights of homeless children and youths is disseminated in locations frequented by parents or guardians, including schools, family shelters, public libraries and soup kitchens, in a manner and form understandable to the parents and guardians of homeless children and youths, and unaccompanied youths;
3.7 Ensure that the parent or guardian of a homeless student, and any unaccompanied youth, is fully informed of all transportation services, including transportation to the school of origin and is assisted in accessing transportation to the school;
3.8 Ensure that school personnel providing services participate in professional development and other technical support as determined appropriate by the State Coordinator;
3.9 Ensure that unaccompanied youths 1) are admitted to school; 2) have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth, including implementation of procedures to identify and remove barriers that prevent youths from receiving appropriate credit for full or partial coursework satisfactorily completed while attending a prior school; and 3) are informed of their status as independent students and that the youths may obtain assistance from the liaison to receive verification of such status for purposes of the Free Application for Federal Student Aid.

4.0 Admission

4.1 All homeless students are required to follow the school’s process for admitting students, including filling out and submitting the school’s admissions packet on time. As with all students, admission depends upon availability. In the event of an oversubscription in a grade, homeless students will participate in the lottery as with any other student.
4.2 If the homeless student seeking admission is unable to produce records normally required for admission, such as previous academic records, medical records, proof of residency or other documentation, this will not serve as a basis for non-admission. Provided that the admission process has been followed in all other respects, a homeless student will be admitted to the School despite the missing paperwork. Additionally, the homeless student shall not be denied admission even if the student has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended. EC 48852.7. Upon admission, the School will contact the school last attended by the students to obtain relevant academic and other records.
4.3 If the student needs to obtain immunizations, or immunization or medical records, the School will immediately refer the parent or guardian of the student, or the unaccompanied youth, to the Homeless Liaison, who shall assist in obtaining necessary immunizations, or immunization or medical records.
4.4 A homeless student shall be allowed to continue his or her education in the school of origin through the duration of homelessness. If the homeless student’s status changes before the end of the academic year so that the student is no longer homeless, either of the following apply: 1) If the homeless student is in high school, the School (if it the school of origin) shall allow the formerly homeless student to continue that student’s education in the School through graduation; 2) If the homeless student is in kindergarten or any of grades 1 to 8, inclusive the School (if it is the school of origin) shall allow the formerly homeless student to continue that student’s education in the School through the duration of the academic school year.

5.0 Admission Disputes and the Dispute Resolution Process
5.1 If a dispute arises over admission of a homeless student in the Charter School, the student will be immediately admitted to the Charter School in which admission is sought, pending resolution of the dispute. “Admission” means attending classes and participating fully in school activities.

5.2 The Charter School will refer the student and/or his/her parents or guardians to the Homeless Liaison, who will carry out the dispute resolution in accordance with the process set forth below, as expeditiously as possible after receiving notice of the dispute. In the case of an unaccompanied youth, the Homeless Liaison will ensure that the youth is immediately admitted in school pending resolution of the dispute.

5.3 Parents, guardians and unaccompanied youth may provide written or oral documentation to support their positions about admission and may seek assistance of social services, advocates, and/or service providers in the dispute process.

5.4 The Charter School will provide the parent or guardian of the student with a written explanation of the Charter School’s decision regarding admission, including the rights of the parent, guardian or unaccompanied youth’s to appeal the decision. The written explanation will be complete, as brief as possible, simply stated and provided in a language that the parent, guardian or unaccompanied youth can understand.

5.5 If the dispute remains unresolved at the Charter School level or is appealed, then the Charter School Homeless Liaison will forward all written documentation and related paperwork to the homeless liaison at the county office of education (COE). The COE’s homeless liaison will review these materials and determine the school selection or admission decision within five (5) working days of receipt of the materials. The COE homeless liaison will notify the Charter School and parent/guardian/unaccompanied youth of the decision.

5.6 If the dispute remains unresolved at the COE level or is appealed to the State, then the COE homeless liaison will forward all written documentation and related paperwork to the State Homeless Coordinator. Upon review, the CDE will notify the parent/guardian/unaccompanied youth of the decision relating admission in the Charter School within ten working days of receipt of the materials.

6.0 Coursework and Graduation Requirements

6.1 The Charter School will accept coursework satisfactorily completed by the homeless child while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school even if the pupil did not complete the entire course and shall issue that pupil full or partial credit for coursework completed.

6.2 The credits accepted shall be applied to the same or equivalent course, if applicable, as the coursework completed in the prior school. The Charter School will not require the homeless child to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school. If the pupil did not complete the entire course, the Charter School shall not require the pupil to retake the portion of the course the pupil completed unless the Charter School, in consultation with the holder of educational rights for the pupil, finds that the pupil is reasonably able to complete the requirements in time to graduate. When partial credit is awarded in a particular course, the homeless youth shall be admitted in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course.
6.3 A homeless youth shall not be prevented from retaking or taking a course to meet the eligibility requirements for admission to the California State University or the University of California.
6.4 A complaint for noncompliance with this section may be filed with the School under the School’s Uniform Complaint Procedures.

7.0 Transportation

7.1 The Charter School will provide or arrange for transportation of a homeless student, at the request of the parent, guardian or Homeless Liaison, to the Charter School when the Charter School is the school of origin. If the student begins living in an area served by another local educational agency while continuing his/her education at the Charter School, the Charter School will contact that local educational agency to agree upon a method to apportion the responsibility and costs for providing the student with transportation to and from the Charter School.

8.0 Comparable Education Services

Each homeless student will be provided access to services comparable to services offered to other students in the Charter School, including but not limited to the following:
- Transportation
- Educational services for which the homeless student meets federal, state and local program eligibility criteria
- Programs in career and technical education
- Programs for gifted and talented students
- School nutrition programs
