TARDIES

Being late to school deprives your child of instructional time and creates a disruption to the learning environment as the student enters class late.

This is impacting your child's education and the education of others in the classroom.

This is a reminder that school starts at **8:00 am**. Students are marked tardy if they arrive after 8:00 am.

Middle school students need to be at the middle school assembly at **8:00 am** or they are also marked tardy. It is essential to your child's learning that they do not miss out on school time.

School Dress Code

As the weather starts to warm up, students will start to wear summer clothes. Just remember that appropriate clothes should be worn at school at all times for all Kindergarten thru 8th grade. Our dress code is simple: No bare midriffs, no undergarments showing, no spaghetti strap tops or dresses for students above 2nd grade (straps should be a minimum of 1 inch wide), no short shorts or skirts (hem should hit between the palm and fingertips) , no clothing that contains inappropriate graphics or messages, no flip-flops, no sagging pants that expose underwear, high heeled shoes are strongly discouraged and younger students should wear shorts under their skirts.
