Community Representative Openings on the school board.

If you know anyone who may be interested in running for the school board opening (can not be parents) have them call the school. The public forum will be in April to read their letters of interest.

Morning Student Drop Off Procedure

Parents PLEASE slow down and follow the drop off route. Take Commercial Street (heading south) then a left on Tayler Street and a left on California Street. Do not let your child(ren) unload from your vehicle until yellow cones. Pulling into parking spots to unload causes vehicle congestion and is very unsafe for students to be going through parking spots with employees pulling in to park. We just want everyone to be safe!! Thank you
