Welcome Mrs. Hammons!

If you have not yet heard, Mrs. Lawrence is retiring in February. Her last day will be February 22nd. We know how important the front office position is to parents, staff and students. The hiring committee took great care in interviewing candidates to hire just the right person.

We think we found her! Our new Office Manager is Stephanie Hammons. Mrs. Hammons is very warm and friendly. She lives in Corning with her husband and children. She has been a 4-H leader for many years and her family takes part in rodeos all over the state. She is very excited to start her journey working with us. I think she will be a great fit!

We will all miss seeing Mrs. Lawrence here every day but she has assured us that we will still get to see her. She is looking forward to volunteering in different capacities and promises to be here often.

Adequate Yearly Progress (AYP)

School AYP Reports were released recently. We are happy to share that Nord Country School met adequate yearly progress requirements for the second year in a row! This allows us to no longer be identified as a program improvement school. We appreciate all the hard work and wonderful support from our staff and students.

Running Track Update

- Chico Unified School district is finishing up some work on finalizing a couple of the property lines here at the school. This means there is a possibility our back fence may change slightly.
- This situation has stalled the progress of our running track. As soon as CUSD completes their work we can begin the project.
- WE CAN'T WAIT!
