Open Enrollment for the 2019/2020 School Year

January 7 - February 5, 2019

Applications for new students interested in admission for the 2019-2020 school year must be completed and submitted to the Nord Country School office by February 1, 2019 at 4 pm. While new applications are accepted at any time prior to the deadline, they must be received by the deadline for consideration of placement. Applications received after the dead line will be considered for enrollment or placement on the waiting list in the order in which they are received.

If more applications are received than there is availability, NCS will hold a random, public lottery on February 7, 2019. Applicants will be notified of admission or position on the waiting list by Tuesday, February 12, 2019.

Applications are available in the school office and are also posted on the school website at www.nordcountryschool.org under forms.
