Dates to Remember:

Thank You! Thank You! Thank You!

The Nord Country School Pie Auction took months of planning and there are many people who helped make it such a huge success. Special thanks to Kelli Ruley Sheila Koester, Miguel Rosso, Sara Cervantes, and Kristi Dailey, the co-chairs of the event, and to Lyle Livingston who prepared the delicious dinner. Staff, parents, alumni, Nord Cana 4-H and other community members all helped to make it a wonderful night! We greatly appreciate all the hours put in to make this year spectacular!

Through our amazingly generous pie buyers the school earned over \$38,000 during the live auction. We are so lucky to have such wonderful people supporting our school!

Golden Ticket Winners

Congratulations to our winners on 3/11:

Ben Gregory, Ricardo Jimenez, Mason Anders, Marley Hazel, Jessica Hartman, Lennon Haggerty, Brooklyn Souther, Sean Jaimes, David Elliott, Braiden Anders, and Matt Aldridge

April 5 - Round Table PTO Meeting 6:00 p.m. & Fundraiser 5-9 p.m. 964 Mangrove Avenue

April 5 - Chess Club

April 19 - Chess Club

April 26 - Minimum Day

NCS Water Update

- You may have seen an article from Action 24 News stating Nord Country School has a lead problem with our water. This statement is not correct. We strictly adhere to all of Butte County Environmental Health testing requirements. If there should ever be a problem with our well water all families would be notified. If you have any questions please don't hesitate to come by the office.

Round Table Fundraiser

April 5th Nord Country School will be having a fundraising event at Round Table on Mangrove. It's simple!

Bring in a flyer or mention our school and we will receive a percentage of the money spent that evening.

The more people that participate, the greater the percentage we receive. The event runs from 5-9 p.m. and it applies to dine in or take out orders. We have the back room reserved and are also selling baked goods on the night of the fundraiser.

Come get your pizza and treats to help support NCS!
