Important School Safety Reminder – Gate Access Update

For the safety of our students and staff, we want to inform you that during school hours and after-school program hours, all gates except the gate by the office will remain locked. At the end of the school day, all students must exit through the gate by the office. Please remind your child of this procedure to ensure a safe and orderly dismissal. Additionally, we kindly ask that you do not encourage your child to jump over the fence or gates, as this is unsafe and could lead to injury. Thank you for your cooperation in helping us maintain a safe school environment. If you have any questions, please feel free to contact the school office.
