School Board Openings

We have a parent representative opening on our school board. If you are interested in running, please write a letter telling our families why you are interested and why you would make a good board member. Letters are due to the office by April 3rd. Candidates will read their letters at the April 10th PTO meeting and will be posted outside of the office. If there is more than one candidate, parents will vote in an election the week of April 17th.
