## Important End of the Year Information

### Chromebooks

If you have a school Chromebook we are inviting you to keep it. They are just about at the end of their life but feel free to use it as long as you can. We do however need you to return it to school in order to do a factory reset. We will be taking it off our network. Please return the Chromebook anytime next week. Will get them reset on Thursday and back out to the students on Friday. **If we do not get the opportunity to reset the Chromebook we will need to disable it which means it will no longer work.**

Yearbooks are being handed out next week!

### 5th Grade Parents

Unfortunately, due to COVID we are not going to have our middle school parent orientation that we usually have to talk about your child's upcoming move "up the hill".

Students will be getting elective information this week. Review the choices with them and then have them pick their 1st, 2nd and 3rd choice. The due date should be on the form.

On Monday, August 16th your student will be able to come pick up their schedule, a planner and their PE shirt. At that time you will also sign up for Remind which is one of the ways information is distributed to parents and get log in information for the SchoolWise portal where you will be able to check your student's grades and/or missing assignments. It's an exciting move to middle school for all.

### K-5th Grade PE Day

PE day will look a little different this year. We are prepping 4 games that the students have learned to play over the year for this fun event. PE day will be in our pods, both Kindergarten and 5th grade will have PE time on Monday (separately). 1st and 2nd graders will have their PE day on Tuesday with 3rd and 4th graders participating on Wednesday.

All PE times are in the morning to take advantage of some hopefully cooler temperatures. Masks will be required, however, during field hockey and soccer mask breaks will be allowed as needed. Please be sure to wear appropriate shoes on your PE day.

A big thank you to Mr. Meza for running PE and always having fun games for the students!
