Stephanie Hammons- Office Manager

Park By Horses at Your Own Risk

The big beautiful horses next to Nord School are wonderful friendly animals, however, they have reached over the fence and scratched vehicle hoods with their teeth. Please know that when parking by their pen this could happen to your vehicle. Park far enough away from the fence so that the horses can't reach your car.

Also, Pet at Your Own Risk, they could nibble on fingers.

CCR Report

Nord Country School's water supply comes from a single groundwater well located at the school site. Water quality is tested regularly by our water system operator. The water quality assurance program is monitored and audited annually by Butte County Department of Public Health. One of the requirements to ensure the health of our water system and our students is the posting of a Consumer Confidence Report (CCR) which itemizes the constituents of our drinking water and the hazards that may exist. This report is posted on our website at <http://www.nordcountryschool.org/documents.html>. If you would rather have a paper copy of this report, please inquire in the school office.

Jog-A-Thon

Thanks to PTO for a fun day of running around our new track! The music and balloons made it such a festive morning. We estimate that our students raised nearly \$8,000. If you still have pledges to turn in please get them in ASAP. Thank you again to PTO and all our students!

8th Grade Graduation

8th grade graduation is the last day of school, Wednesday, June 5th at 9:00 AM out on our field.
