★ OUR NATION'S HISTORY ★

The American poet and journalist Walt Whitman, one of our country's most original and most acclaimed writers, was born on May 31, 1819 on Long Island in New York State. He began work on his masterpiece, a collection of poems entitled *Leaves of Grass*, before 1850 and continually revised and added to the book until his death in 1892. He is considered the first truly American poet, and is particularly remembered for poems like "Song of Myself" and "Oh Captain, My Captain!" which he wrote upon the assassination of President Abraham Lincoln. Whitman also volunteered in Army hospitals during the American Civil War, helping to care for wounded soldiers.

90 MINUTE RULE.

A hot shower before bed helps you sleep better. But there's a catch: make sure to shower ninety minutes before you plan to hit the hay. That way your body will have time to cool down and you'll be primed for the excellent, restful sleep we all need for good health!

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

NUTRITION TOGO

"Coleslaw" comes from a Dutch phrase ("kool sla") that means cabbage salad. Cabbage has been shown to help prevent certain types of cancer, and it's also loaded with vitamin C. Cabbage is easy to grow and tolerates cold very well. That's probably why it's featured in a lot of northern dishes, like sauerkraut.

WORDS OF MOUTH

This month: "Selling like Hot Cakes"

When a product is in great demand, we say it's "selling like hot cakes." The phrase probably stems from the days when Hot cakes (also called pancakes or flapjacks) were so popular at events like county fairs and church socials that the cooks couldn't make them fast enough to satisfy everyone!

Thanks, Mom!
