Take advantage of Parent-Teacher Conferences

Parent Conferences are such an important time to establish the home to school connection and to find out how your child is performing at school. We are looking forward to parent conferences and sharing your child's accomplishments with you.

To get the most out of the conference please come on time and be prepared. Before you go to the meeting, make a list of topics to discuss with the teacher.

Your child's first trimester report card will be given to you at the conference.

If you have not heard from your child's teacher about a conference time please get in touch with them.

Remember there is No School November 11th/12th/13th!

Stone Soup

We hope that many of you will be able to attend this year's Stone Soup Day on November 18th.

This is a very fun activity where the students act out the folktale of two travelers who wander into a poor town. These travelers have no money and are very hungry. They convince the town's people that they are making a delicious soup with one stone. The people help to make it better. Eventually everyone brings something to add to the soup and they have a wonderful feast together.

Parents, relatives & community members are welcome to join us for the play at 8:00 am during the morning assembly and then come back at lunch time to eat some delicious soup.

Students will be bringing their own vegetables to make this year's feast the best yet. A flyer with more information will be coming home soon.

Popcornopolis

The 7th graders are selling delicious popcorn to support their field trip to Ashland, Oregon. Sales are going on November 2nd through November 19th. See a 7th grader if you would like to place an order. The goal is to have each student sell at least 32 cones and raise \$2,000. Carmel Corn, White Cheddar, Zebra Popcorn, Kettle Corn, or Jalapeno Cheddar, treat yourself or a friend to any of these exquisite flavors.

Makes a great gift for the upcoming holidays!
