Dress Code Policy

There have been several instances of students not following our dress code. Below is a recap of the Nord dress code which can be found in the Parent & Student Handbook at your parent portal nord.schoolwise.com.

No bare midriffs, **No** undergarments showing, **No** spaghetti strap tops or dresses for students above 2nd grade-straps should be a minimum of 1 inch wide, **No** short shorts or skirts-hem should hit between the palm and fingertips, Younger students should wear shorts under their skirts, **No** clothing that contains inappropriate graphics or messages including weapons, drugs and alcohol, **No** flip-flop sandals or sandals that leave most of the foot exposed, **No** sagging pants. If there is a violation of this policy, students will be sent to the office for a change of clothes. The school will inform parents in the event that a student's dress or grooming is not appropriate and they may be asked to either take the child home to change or bring a change of clothes to school.
